HAPPY Women's Day

Skin Care

01 Apply a mixture of Almond & Coconut Oil to your entire body before you step out

01 Do not shampoo the day before Holi, such that your natural hair oil is retained

02 Apply Sunscreen with minimum SPF 30+ to add a level of protection to your skin

02

02 Massage your hair well the night before Holi. Apply Almond & Coconut Oil or any suitable hair oil, evenly

02

03 Apply a lip balm or Vaseline to keep your lips moist and protected

03 Adding a few drops of lemon juice to the oil and preheating before applying, helps shield your scalp against any infections

04 Drink & Hydrate yourself with water and juice since harsh chemicals dehydrate your skin

04

04 Do not keep your hair open and play Holi. It is advisable to make a bun or tight ponytail

04

05 Choose herbal and organic colours which are devoid of any toxins or harmful substances
