One of the first duties  
of the physician  
is to educate the masses  
not to take medicine

- William Osler -  
(1849 - 1919)  
Described as the Father  
of Modern Medicine

— William Osler —

Care more for the individual patient than for the special features of the disease.... Put yourself in his place... The kindly word, the cheerful greeting, the sympathetic look - these the patient understands.
