You're probably making your acne worse.

Over cleansing or using harsh scrubs
Stripping your skin barrier won't stop breakouts - it'll invite more.

Popping pimples
Feels satisfying, but it spreads bacteria and leaves scars behind.

Using every acne product you find
More isn't better. It's irritation waiting to happen.

What to do instead:

- Stick to a gentle routine
- Use prescribed treatments
- Stay consistent and patient

Your skin deserves expert care.
Book a personalised consultation today.
