Dr. Fathima Mohammed: Unleashing the Power of Female Leadership in Medical Aesthetics at Body Science

Medical aesthetics is booming in India. It is expected that the Indian cosmetics market will generate US\$6.45 billion in revenue by 2024. Despite ongoing efforts to promote gender equality, female leadership in the aesthetic medicine sector is still notably underrepresented. The majority of the specialist's patients are female, although most practicing doctors are still men.

A shining example of dynamic female leadership is Dr. Fathima Mohammed, Founder and Cosmetologist of Body Science, exemplifying the incredible impact women are making in the aesthetic medicine landscape after fighting against stereotypes.

Dr. Fathima
Cosmetologist & Founder -Body
Science - The Aesthetic Clinic

A renowned cosmetologist, a skin-care expert, an inspiring woman leader, and a

motivated her to start Body Science, a center dedicated to providing safe, scientifically proven, and cost-effective solutions to skin and hair concerns.

She trains doctors in advanced aesthetic procedures like fillers and botox. She advises her students on safe and easy skin care tips, thereby improving their skin health and boosting their confidence.

Body Science: Customized Care for Your Unique Needs

Incorporated in 1990, Body Science has established itself as one of the trailblazers in skin and hair care offerings, specializing in treatments tailored to people's unique needs. Equipped with the newest innovations and technologies, the Body Science team treats underlying causes, whether hormonal, genetic, stressful,

or environmental.

- Top 10 Renowned Cosmetologists in India 2022 title by a leading magazine
- Most Trusted Renowned Cosmetologist India 2022 title by a leading magazine
- Best Renowned Cosmetologist 2022 by a leading magazine
- It has also garnered Certificate of Bengaluru City-Single Speciality Hospital at the Times All India Lifestyle hospital & Clinics Ranking Survey-2022, event conducted by OMS (a Division of Times Internet Limited), based on research by Avance Insights Pvt Ltd.
- It has also garnered Certificate of Bengaluru City-Single Speciality Hospital in the category of Skin and Dermatology at the Times All India Lifestyle hospital & Clinics Ranking Survey-2023, event conducted by OMS (a Division of Times

RESEARCH

The objective of the research is to identify the leading research areas for various Life Sciences in India. The specializations included in the research are Orthopedics, Diabetes, Plastic Surgery, Skin, Ophthalmology, Dental, etc. The research had a Desk Research, Factual Desk Research, Factual Rating survey, and a scientifically developed rating process.

Fieldwork was completed on July 2024 to October 2024.

Module Desk Research

MODULE 1 | DESK RESEARCH

Module 1 was a desk research module. A comprehensive list of Hospitals and Clinics was gathered with the help of the internet, other publications, and other sources. The list used for the generative research included:

- List of Hospitals/Clinics from various surveys.
- A discussion with experts to delete any Hospitals/Clinics we have a comprehensive list of.

As it is not possible to have an exhaustive list of all Hospitals and Clinics, we have included them in the survey for the option of adding name in the survey for
